Selected Papers from 20th World Conference on Non-Destructive Testing (WCNDT 2024)

Message from the Guest Editor

This Special Issue is dedicated to the 20th World Conference on Nondestructive Testing (WCNDT2024) (<https://www.20thwcndt.com/>). Authors of outstanding papers related to "Intelligent Sensing Technologies for Nondestructive Evaluation", including conventional damage detection, structural health monitoring, and machine-learning-based damage classification frameworks, will be invited to submit extended versions of their work to the Special Issue for publication.

About the Journal

Message from the Editor-in-Chief

Sensors is a leading journal devoted to fast publication of the latest achievements of technological developments and scientific research in the huge area of physical, chemical and biochemical sensors, including remote sensing and sensor networks. Both experimental and theoretical papers are published, including all aspects of sensor design, technology, proof of concept and application. *Sensors* organizes Special Issues devoted to specific sensing areas and applications each year.
