

## Special Issue

# State-of-the-Art Sensors Technology in the UK

### Message from the Guest Editor

The aim of this special issue is to provide a comprehensive view on the state-of-the-art sensors technology in the UK. Research articles are solicited which will provide a consolidated state-of-the-art in this area. The Special Issue will publish those full research, review and high rated manuscripts addressing the above topic. Prof. Dr. Nicholas Dale

## About the Journal

### Message from the Editor-in-Chief

*Sensors* is a leading journal devoted to fast publication of the latest achievements of technological developments and scientific research in the huge area of physical, chemical and biochemical sensors, including remote sensing and sensor networks. Both experimental and theoretical papers are published, including all aspects of sensor design, technology, proof of concept and application. Sensors organizes Special Issues devoted to specific sensing areas and applications each year.
