

Special Issue

Understanding the Influence of Alternative Political Media

Message from the Guest Editor

The emergence of alternative political media has significantly transformed the contemporary information landscape, challenging traditional media institutions and redefining how political narratives are produced and disseminated. For this Special Issue, we welcome submissions exploring the multifaceted impact of alternative political media on society and politics:

- Case studies of alternative political media platforms and their influence on public opinion and electoral behavior;
- The role of algorithms and platform dynamics in the visibility and reach of alternative political content;
- Comparative analyses of alternative media systems in different political or cultural contexts;
- Ethical, legal, and regulatory challenges associated with alternative political media;
- The relationship between alternative media and traditional media ecosystems;
- The role of alternative political media in misinformation campaigns, conspiracy theories, or extremist movements;
- Strategies to mitigate the negative impacts of alternative political media while preserving its democratic potential;
- Intersections between alternative political media and emerging technologies.

About the Journal

Message from the Editor-in-Chief

Social Sciences is an international open access peer-reviewed journal publishing the latest research across all disciplines of the social sciences including anthropology, criminology, economics, education, geography, history, law, linguistics, political science, psychology, social policy, social work, sociology and related areas. The journal is especially interested in interdisciplinary research, and aims to facilitate the interaction and communication between different social scientific disciplines. The journal welcomes conventional length articles as well as shorter Research Notes or short articles, as long as they meet the journal's standards of quality and originality.

Editor-in-Chief

Prof. Dr. Daniel McCarthy
