

## Special Issue

# Researching Youth on the Move: Methods, Ethics and Emotions

### Message from the Guest Editors

The purpose of this Special Issue is to compile the results of recent research on youth and youth cultures, from the perspective of the "toolbox" used and reflections on research methodologies and techniques, whether qualitative, quantitative or mixed. It also will collect articles on ethics protocols and emotional involvement in fieldwork research with young people. Studies and reflections on the following topics are welcomed:

- Innovative methodologies applied to youth studies;
- Participatory action research;
- Comparative studies at the transnational level;
- Metaethnography;
- Autoethnography and autobiography;
- Youth cultures and big data;
- The transfer of research in youth: observatories, laboratories, activities;
- Ethics in youth research;
- Emotional involvement in fieldwork research with young people.

## About the Journal

### Message from the Editor-in-Chief

*Social Sciences* is an international open access peer-reviewed journal publishing the latest research across all disciplines of the social sciences including anthropology, criminology, economics, education, geography, history, law, linguistics, political science, psychology, social policy, social work, sociology and related areas. The journal is especially interested in interdisciplinary research, and aims to facilitate the interaction and communication between different social scientific disciplines. The journal welcomes conventional length articles as well as shorter Research Notes or short articles, as long as they meet the journal's standards of quality and originality.
