

Special Issue

Advances in Biological Standards and Control

Message from the Guest Editors

With the development of the medical field and the exchange of knowledge, many standards have been proposed for different applications. Standards are the basis for knowledge exchange and information exchange among different units, and it is important to incorporate standards effectively in different applications. This Special Issue welcomes articles on standards-related research, innovative applications, and interoperability in the field of medical information technology.

Guest Editors

Prof. Dr. Chien-Yeh Hsu

Dr. Hsiu-An Lee

Dr. Wei-Chen Wu

Deadline for manuscript submissions

closed (31 December 2022)

About the Journal

Message from the Editor-in-Chief

Editor-in-Chief

Prof. Dr. Peter Glavčič

Department of Chemical Engineering, University of Maribor, 2000
Maribor, Slovenia

Author Benefits

Open Access:

free for readers to download, share, and reuse content.
Authors receive recognition for their contribution when the
paper is reused.

Rapid Publication:

manuscripts are peer-reviewed and a first decision is
provided to authors approximately 26.8 days after
submission; acceptance to publication is undertaken in 7.6
days (median values for papers published in this journal in
the second half of 2025).

Recognition of Reviewers:

APC discount vouchers, optional signed peer review, and
reviewer names published annually in the journal.
