Message from the Guest Editor

Dear Colleagues,

The Special Issue is called State of the Art of Assessment for Sustainable Development Goals—2nd Edition. The goal of this Special Issue is to publicize and recommend the actions and effects of SDG promotion in various countries and regions around the world, and to explore the theoretical and practical experience of SDG localization.

This Special Issue is open to any subject area related to the assessment of sustainable development goals. The listed keywords suggest just a few of the many possibilities.

- SDG localization theory;
- Urban sustainable development;
- Sustainable cities and communities;
- SDG progress assessment;
- Creating enabling policies to mobilize financial resources;
- Building policy implementation capacity;
- Monitoring and evaluating policy performance.

If you are uncertain about whether your paper fits into the scope of this Special Issue, please contact the Guest Editor.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (*Geography, Planning and Development*)
