30 October 2021

Message from the Guest Editors

Dear Colleagues,

The Editors of the Special Issue welcome papers that address, but are not limited to, the following issues and topics:

- BRI and contemporary business environment: issues, developments, implications;
- BRI and sustainability: climate, resources, society;
- BRI and domestic/international regulatory frameworks;
- BRI and the business sector: B2B, BMI, HRM;
- BRI and infrastructure: transportation, electricity, networks;
- BRI and sophisticated information and communication technology (ICT): from distributed information systems to AI and their application;
- BRI and smart cities: an insight into the role of (smart) cities in building competitive advantage along BRI;
- BRI and the Arab Peninsula: insights into regional developments;
- BRI and regional collaboration schemes: from ad hoc collaboration to strategic alliances;
- BRI and innovativeness: R&D, innovation policies, strategies, approaches, comparative insights;
- BRI and international organizations: rethinking multilateralism;
- BRI: case studies, prototypes and project deliverables related to OBOR

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPus / SciFinder](#), and many [other databases](#).

Journal Rank: JCR - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
