submissions:

closed (10 April 2023)

Message from the Guest Editors

The main aim of this Special Issue is to publish high-quality, multidisciplinary research relating to “Corporate Social Responsibility and Stakeholders’ Health and Wellbeing.” This area is within the journal scope “health-related aspects of sustainability”. We are particularly interested in the relationship between corporate social responsibility (CSR) and the health and wellbeing of both internal and external stakeholders. Manuscripts utilising any methodology and addressing the impact of CSR strategies (and policies) in workplaces, supply chain, consumers, general society, or healthcare are welcome. We also welcome manuscripts addressing CSR accounting related to internal and external stakeholders’ health and wellbeing.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.
