Message from the Guest Editor

This Special Issue addresses academics, researchers, students, and professionals from various fields (environmental science, engineering, geography, social sciences, agronomy, etc.) decision-makers, public institutions, and organizations involved in environmental protection and sustainable rural development.

Possible topics covered by this Special Issue include (but are not limited to):

Regional integrated waste management systems

Resource efficiency, sustainable construction, and land management

Food waste prevention and sustainable agriculture

Community composting, home composting, and organic farming

Zero-waste strategies in rural communities (best practices)

Renewable energy transition including from waste treatment (e.g., biogas)

Circular rural tourism and ecotourism

Circular mechanisms associated with bioeconomy, digital economy, sharing economy, and blue economy in rural communities

Circular economy and social equity

Social and rural entrepreneurship

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
