### Message from the Guest Editors

We invite you to contribute a full paper to this Special Issue on Interdisciplinary Perspectives of Climate Change in the Baltic Sea Region. The Issue focuses on climate change in the Baltic Sea Region (BSR) context and is open for researchers from different disciplines, within natural science, engineering, social science, and the humanities, as well as interdisciplinary researchers. We welcome original research papers, either with a focus on empirical results or elaborating on theory, as long as it is of relevance to climate change in the BSR. We especially welcome presentations of research findings having an inter-/multidisciplinary approach based on co-operation between colleagues in the Baltic Sea Region.

Deadline for manuscript submissions:

**closed (31 December 2023)**

an Open Access Journal by MDPI
