Message from the Guest Editors

We cordially invite you to participate in the 9th European Conference on Renewable Energy Systems (ECRES2021). The event will be held in Istanbul, Turkey, on 21–23 April 2021, with several universities and research centers from all over the world collaborating to provide technical support for this event.

The purpose of the ECRES is to bring together researchers, engineers, and natural scientists from all over the world interested in the advances of all branches of renewable energy systems. Presentations on wind, solar, hydrogen, hydro, and geothermal energy, solar concentrating, fuel cells, energy harvesting, and other energy-related topics are welcome.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
