### Message from the Guest Editor

Dear Colleagues,

This Special Issue is seeking contributions that help us make sense of how academic information systems, e-learning, and knowledge management have helped in this difficult period and how it will become more relevant in the education system in the post-COVI19 era, especially concerning the application and development of open education technologies. Researchers and practitioners are welcome to submit your experiences, observations, and analysis.

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
