Message from the Guest Editors

This Special Issue invites the submission of high-quality conceptual and empirical papers to systematically and comprehensively advance the connections between employability and career success. Possible questions to be addressed by papers in the Special Issue include, but are not limited to:

How are employability and career success currently being conceptualised and measured?

How does COVID-19 impact the perception of employability and career success?

What is the relationship between employability and career success?

How are employability and career success related to career stages and individual differences?
