Deadline for manuscript
submissions:

closed (30 June 2018)

Message from the Guest Editors

This Special Edition on “Energy Security” encourages a diverse set of submissions. Topics include:

- Evolving definitions of energy security and metrics used to characterize them.
- Are security and sustainability mutually attainable or in conflict?
- Analysis of energy security and sustainability trends at the local, national, regional and global level.
- Changes in end-use technologies and how these may impact energy security and sustainability.
- Potential social and geopolitical changes associated with energy developments that impact energy security and sustainability.
- Institutional and governance issues associated with energy security and sustainability
- Information and Communication Technology (ICT) needs, including cybersecurity
- Sectoral approaches to energy security: supply/demand, power, industrial, buildings, transport
- International negotiations and treaties
- RDD&D needs

an Open Access Journal by MDPI

School of Environment and
Natural Resources, Ohio State
University, Columbus, OH 43210,
USA

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
