Deadline for manuscript submissions:

closed (24 January 2023)

Message from the Guest Editors

We welcome contributions on:

- Sustainable transition, enterprise productivity and economic growth;
- Enterprise innovation and sustainable transition;
- Enterprise size in terms of their ability to introduce green technologies;
- Labour market impact of sustainable transition, with a particular focus on how it affects job creation, job destruction, job reallocation and employment/unemployment;
- The role of both national and regional policies in driving sustainable transition;
- Institutional factors in affecting the sustainable transition;
- Financial market in stimulating the adoption of new technologies;
- Universities' technology and new technologies;

Keywords

- sustainable transition
- economic growth
- enterprise productivity and innovation
- labour and financial market
- institutional factors

an Open Access Journal by MDPI

Editor-in-Chief

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
