### Message from the Guest Editors

This Special Issue will comprise a selection of papers presenting original and innovative contributions to the advancement of child and family research in areas related to the concept of sustainable family life with respect to policies and practices that strengthen families' resilience and wellbeing. From this subject forth, this Special Issue deals with topics that explain phenomena, mechanisms and circumstances threatening families' capacity for adequate care as well as approaches, systems and models of support. We welcome contributions concerning different forms of family related to divorce, migration, socio-economic and demographic changes, cultural factors and other issues influencing on functions and structures of families.

Deadline for manuscript  
submissions:

**closed (30 June 2021)**

an Open Access Journal by MDPI
