submissions:

**closed (31 May 2020)**

### Message from the Guest Editors

This Special Issue is focused on but not limited to the following topics:

- New market opportunities in the framework of CSR and sustainability;
- Corporate legitimacy in relation to stakeholders in the present era;
- New business models in entrepreneurship and sustainability;
- The link between technology and green innovation;
- The ethics–corporation–sustainability relationship through CSR;
- Corporate ethics and sustainability in social entrepreneurship;
- The link between sustainability and profit/performance/competitive advantage;
- CSR in relation to sustainable ecology and consumers' environmental awareness;
- Supply chain management and sustainability;
- Technology, innovation, and green supply chain management;
- Quality management, sustainability, and CSR;
- Corporate ethics and sustainability in innovation;
- Relationships between ethics, CSR, innovation, technology, stakeholders, and sustainability.

an Open Access Journal by MDPI

## Editor-in-Chief

### **Prof. Dr. Marc A. Rosen**

Faculty of Engineering and  
Applied Science, University of  
Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits
