Deadline for manuscript submissions:

**closed (31 July 2022)**

### Message from the Guest Editor

Dear Colleagues,

1. How has air connectivity been affected by COVID-19?
2. What are the main anti-COVID-19 measures taken by distinct countries that affect air transport? Are there any lessons that can be extracted?
3. What are the main changes that we can expect for post-COVID-19 air transport?
4. Is COVID-19 affecting preferences for travel?
5. How is COVID-19 affecting air transport vulnerability and resilience?
6. A level playing field in state aid for airports, airlines and hotels: are there worldwide lessons to be learned?
7. Tracing apps vs. rapid tests to increase air connectivity: are there lessons to be learned?
8. Has COVID-19 boosted digital transformation and automation in airports and airlines?
9. Has COVID-19 changed biosecurity and sanitization processes in airports and airlines?
10. Air transport accessibility during the pre-COVID-19 and COVID-19 periods and the effects on the post-COVID-19 era.
11. others

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
