Deadline for manuscript  
submissions:

**30 September 2021**

### Message from the Guest Editor

We look for theoretical and empirical research able to investigate a variety of issues, such as:

- Sustainable business model developing cases
- Non-traditional methodologies
- Analysis of the relationship among the development of digital technologies, sustainability-led innovations and open innovation approaches
- Identification of influencing factors linked to the exploitation of sustainability-led innovations by industrial enterprises
- Ecosystem approaches to sustainable socioeconomic development
- Analysis of the role of digital tools able to nurture innovative sustainable development in different industries
- Evaluation of the contribution of digital technologies to innovation ecosystems development: regional, national and local level
- Analysis of the impact of digital technologies on organizational and innovation performances
- Investigation of the relationship between the institutional entrepreneurial environment and innovation outcomes: regional, national, and local levels
- Identification of moderating/mediating factors of the relationship between sustainable development processes and key business outcomes for industrial enterprises.

Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:**— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

**Journal Rank:** [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
