Message from the Guest Editors

Leadership is considered as an important factor affecting organizational success in the hospitality and tourism industry. Therefore, research on sustainable human resources needs to be developed to provide several avenues for both researchers and practitioners. This Special Issue aims to bring together state-of-the art research on leadership and sustainable HR and to examine the further avenues for scholars and industry practitioners in the tourism and hospitality industry.

We particularly welcome investigations focusing on the tourism and hospitality which include (though not exclusively) the following issues:

- Leadership in the tourism and hospitality industry;
- Leadership and sustainability;
- HR management and sustainability;
- Green Leadership and HR management;
- Leadership and employee innovation;
- Leadership and employee job outcomes;
- Measuring leadership effectiveness;
- The importance of HR functions on employee attitudes and behaviors;
- Socially responsible HR practices;
- The relations of Leadership and HR functions;
- Leadership and HR management in hospitality and tourism academia;
- Contemporary leadership approaches.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

Journal Rank: [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
