Deadline for manuscript
submissions:

30 September 2021

Message from the Guest Editor

This Special Issue will comprise a selection of papers presenting both original and innovative, and both theoretical and empirical contributions to the advancement in these fields.

The expect topics include: the role of public space in sustainable urban regeneration; theoretical aspects related to sustainability, livability and socialization in urban regeneration; best practices of urban regeneration with livable public space as an element of quality; sports and healthy activities in public spaces and urban regeneration areas; public space, climate change and resilient regeneration.

Keywords

- livable public space
- sustainable regeneration
- healthy city
- slow regeneration
- resilience
- adaptation
- place identity
- participation

an Open Access Journal by MDPI

Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

Journal Rank: [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
