### Message from the Guest Editors

The aim of the special issue is to provide original and latest contributions, and to review and survey research and development on logistics and sustainable supply chain management, which focuses on the state-of-the-art and potential technologies and providing initiatives for the solutions from academic to enter corresponding practical scenarios. This special issue aims to stimulate and promote the development of novel approaches in enabling a sustainable logistics and supply chain management solution. It intends to invite a series of leading and high-quality papers on ideas, methods, and technologies applied for logistics and sustainable supply chain management. Topics will include, but not limited to, the follows:

Deadline for manuscript  
submissions:

**closed (30 November 2020)**

an Open Access Journal by MDPI

## Editor-in-Chief

### **Prof. Dr. Marc A. Rosen**

Faculty of Engineering and  
Applied Science, University of  
Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:**— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

**Journal Rank:** [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
