### Message from the Guest Editor

Dear Colleagues,

This Special Issue will comprise a selection of papers addressing sustainability in marketing. It will focus on the use of sustainability messages, sustainability labels, and sustainability reports in the marketing communication of companies. The scope of this Special Issue is related to the research questions listed below. They concern the frequency, effectiveness, abuse, optimization, and perception of marketing communications appealing to sustainability. This Special Issue aims to advance our understanding of various aspects of sustainability marketing, particularly the promotion of environmentally friendly and socially responsible products, practices, and brand values. It is situated in the marketing communication literature stream, with important insights from strategic marketing, brand management, and consumer behavior.
