Message from the Guest Editors

The open access journal *Sustainability* (ISSN2071-1050) is pleased to announce its plan to publish a Special Issue on “Moving toward Sustainability: Rethinking Gender Structures in Education and Occupation Systems.”

Sustainability requires ending discrimination based on gender and providing equal opportunities for education and employment. For this Special Issue we invite original research papers on the topic of “Moving Toward Sustainability: Rethinking Gender Structures in Education and Occupation Systems” from a wide range of perspectives, disciplines, methodologies, and countries. We encourage original research papers that examine the effects of gender structures but also provide initiatives to reverse gender inequalities and promote sustainability.
