Message from the Guest Editors

This Special Issue welcomes papers, research works, and investigations on new approaches to address SDGs from a more macro perspective—environmental, social, and governance (ESG) criteria.

This Special Issue pays attention to the following topics of interest, but is not limited to them:

- Regulations on the shipment of waste: the missing link
- Natural resources management and environmental policies
- Digital transformation and organizational management triggered by SDGs
- Network analysis: behaviour of communities in innovation and other parameters
- Smart circular economy
- Social dialogues to identify the accelerators to address SDGs
- Rural community perceptions and attitudes towards sustainability
