Message from the Guest Editor

This Special Issue has two aims. The first is to augment the understanding of key vulnerabilities of small and family businesses that are barriers to sustainability, resilience, and success. The second is to encourage contributions focused on the adjustments that small businesses and family businesses make to reach sustainability and resilience.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
