submissions:

closed (31 August 2024)

Message from the Guest Editors

We are calling for theoretical and empirical contributions that are focused on the creation, diffusion, as well as on the utilization of technological innovations and information within the context of smart, sustainable cities. This Special Issue will include but is not limited to the following topics:

- Advancing the circular economy agenda in smart cities;
- Artificial intelligence and machine learning in smart cities;
- Blockchain technologies in smart cities;
- Green economy of smart cities;
- Green infrastructure in smart cities;
- Green living environments in smart cities;
- Smart cities and the sustainable environment;
- Smart cities and the use of data-driven technologies;
- Smart cities and the use of the Internet of Things (IoT);
- Sustainable energy of smart cities;
- Sustainable financing for infrastructural development in smart cities;
- Sustainable housing in smart cities;
- Sustainable transportation in smart cities;
- Sustainable tourism in smart cities;

an Open Access Journal by MDPI

Prof. Dr. Marc A. Rosen

Faculty of Engineering and
Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
