Deadline for manuscript  
submissions:

**closed (31 May 2021)**

### Message from the Guest Editors

This Special Issue "Soil Management and Agricultural Sustainability: Rhizobacteria, Organic and Inorganic Amendments" aims to fill the gaps in the scientific literature concerning this crucial area as much as possible, to highlight its importance, and to provide a platform for the dissemination of state-of-the-art advances in this field. Topics include, but are not limited to:

- Biochar in climate-smart agriculture
- Bio-composites of organic amendments, fertilizers, biochar and PGPR for agricultural sustainability
- Bio-composites in management of soil health and fertility status
- Macronutrients consortia with bio-composites or biochar in Agriculture
- Micronutrients consortia with bio-composites or biochar in Agriculture
- Composites of rhizobacteria with biochar, manure and compost under abiotic stresses crop production
- Bio-composites in management of heavy metals in contaminated soil

an Open Access Journal by MDPI

Applied Science, University of  
Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:**— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

**Journal Rank:** [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
