Message from the Guest Editor

Sustainability and an inclusive perspective on an office environment's influence on employees and organizations cover different aspects in a broad and interdisciplinary field of research. This Special Issue will gather the work of scientists investigating the sustainability of office design and organizations from a wide perspective. In the search for knowledge about the subject, we welcome various perspectives and approaches, including empirical and theoretical research on various concepts, theories, and methods.

Deadline for manuscript
submissions:

31 December 2021

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

Journal Rank: [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
