

## Sustainability and Resiliency under Multi-Hazards

Guest Editors:

**Dr. M. Amin Hariri-Ardebili**

**Dr. Karim Farokhnia**

**Dr. Derya Deniz**

### Message from the Guest Editors

In this Special Issue, we solicit high-quality original research articles focused on the state-of-the-art techniques and methods employing sustainability, resilience, and risk analysis of structures and infra-structures under multi-hazards.

Topics of interest include, but are not limited to:

Deadline for manuscript  
submissions:

**closed (30 November 2019)**

- Sustainable and resilient building design systems;
- Community resilience and sustainable planning;
- Sustainable and resilient design of infrastructural components;
- Sustainable and resilient design of infrastructural networks;
- Case studies and validations of sustainable and resilient systems;
- Cloud-based sustainable and resilient design or assessment platforms;
- Influence of social and economic sectors in sustainable and resilient systems;
- Risk and resiliency of bridges, dams, nuclear power plants, and transportation networks.

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
