Message from the Guest Editor

Dear Colleagues,

The research topics of this Special Issue could be focused on but not limited to:

- Sustainable energy efficiency and use: definitions and perspectives;
- Sustainable energy efficiency and use in the context of SDGs;
- Sustainable energy efficiency and use: implication for consumption and business initiatives;
- Sustainable energy efficiency and use: socioeconomic and environmental impacts;
- Sustainable energy efficiency and use: spillover effects across sectors and countries;
- Sustainable energy efficiency and use: drivers of changes and policy implications;
- Sustainable energy efficiency and use from renewable, nonrenewable, and nonconventional energy sources;
- Sustainable energy efficiency and use: top-down and bottom-up initiatives;
- Sustainable energy efficiency and use: partnerships across developed and developing countries and across the private and the public sectors;
- Sustainable energy efficiency and use: metabolism of countries and socioeconomic and environmental implications.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
