

Sustainable Development of Wood Chemistry

Guest Editor:

Prof. Dr. Mariusz Maminski

Institute of Wood Sciences and Furniture, Warsaw University of Life Sciences—SGGW, Warszawa, Poland

Deadline for manuscript submissions:

closed (31 December 2021)

Message from the Guest Editor

This Special Issue titled “Sustainable Development of Wood Chemistry” is devoted to providing a forum to exchange ideas and concepts and to discuss the urgent problems in the field, as well as to disseminate new findings and achievements in wood chemistry. Reviews as well as original experimental and theoretical papers are invited. Contributions are expected to be scientifically sound and bring significant knowledge to the field of sustainability.

The scope of this Special Issue covers the following: new approaches to wood conversion, carbon footprints, carbon dioxide uptake, bioenergy, biofuels, biorefinery, lignin and cellulose, wood-derived polymers, life-cycle assessment, recycling, etc. For further reading, please visit the [Special Issue Website](#).

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
