Message from the Guest Editors

Dear Colleagues,

In this special issue, we hope to invite studies that address the abovementioned issues. We do not confine the scope to business. Research about nonprofit or government-related issues is also welcome. Aside from application studies, we still accept theoretical modeling and review papers related to this direction. The main topics are as follows (but not limited to):

- Technology or Business Innovations
- Fintech Applications
- Sustainable Ecosystem
- Sustainable Business Development
- Blockchain
- Cryptocurrency
- Token Economy
- Big Data
- Artificial Intelligence (AI)
- Machine Learning
- Soft Computing (e.g., Fuzzy Set and Rough Set theories)
- Corporate Governance
- Information Governance
- Risk Management

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
