15 December 2021

Message from the Guest Editor

Dear Colleagues,

Sustainable consumer behavior endeavors to meet current demands while at the same moment furthering or curbing environmental impact. Green public procurement represents a process through which public authorities aim to acquire products, services, and works having a diminished environmental impact during their entire life cycle. A robust incentive for eco-innovation, green public procurement has as a condition the encompassing of comprehensible and concrete low-carbon standards for products and services...

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

Journal Rank: [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
