Prof. Dr. Sabrina C. Eimler

Prof. Dr. Uwe Handmann

Deadline for manuscript submissions:
closed (10 November 2023)

Message from the Guest Editors

Dear Colleagues,

This Special Issue aims to gather experts and scholars from related fields to present and share their recent research on HCI and brain informatics related applications. The purpose of this Special Issue is to provide a forum for discussion and interaction among researchers with interests in the cutting-edge techniques of HCI and artificial intelligence applications, in particular, the rapid growth of AR/VR/AI applications. Participants are invited to submit papers in all areas of AI- and knowledge-based approaches, particularly in the area of brain informatics.

The 9th Ibero-American Conference on Human–Computer Interaction (HCI) will be held at Universidad Nacional de La Matanza, in Buenos Aires, Argentina, from September 13th to 15th 2023. We wish to encourage Researchers and Undergraduate and Graduate Students from Latin America to attend and explore the technological relevance of HCI and its impact on other disciplines.

Special Issue

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.
High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.
Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
