Deadline for manuscript  
submissions:

**30 September 2021**

### **Message from the Guest Editor**

With the continuous progress and popularization of information communication technology (ICT), people are doing more and more things connected to daily life, including shopping and ordering meals, on the Internet. In recent years, the rapid development of artificial intelligence (AI) technologies has enabled various ICT applications to have intelligent capabilities. More rapid, efficient, proactive, and effective AI applications are continuously being developed, which also promotes the continuous growth and expansion of the online mobile consumer market.

This Special Issue calls for any submissions of state-of-the-art research articles providing new theoretical and practical insights into the topic of “Sustainable Development of Online Shopping and Mobile Catering based on Artificial Intelligence Technologies”.

an Open Access Journal by MDPI

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:**— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

**Journal Rank:** [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
