Message from the Guest Editors

Dear Colleagues,

This Special Issue focuses on the study, evaluation and analysis of the opportunities the pandemic offers in three related aspects: first, for building an education for sustainable development. Second, for creating decent working conditions. Hence, the three main topics of the Special Issue cover the following SDG: objective number 3—Health and well being; objective number 4—Quality education; and objective 8—Decent work. Authors from a range of disciplines, such as education, psychology, management, social sciences and other areas related to sustainable development, are invited to submit their papers. Submissions for the Special Issue could relate, but are not limited, to the following topics:

- Teacher training and education for sustainable development;
- Environmental education;
- Teacher and students competencies for sustainability;
- Healthy working conditions;
- Online teaching and working in the pandemic;
- Work–family balance;
- Impact of COVID-19 on education and working conditions;
- Future trends in sustainability education;
- Future trends for sustainable work;
- Sustainable Development Goals (SDGs).
