### Message from the Guest Editors

This research topic is particularly interested in manuscripts that offer new perspectives and insights into the relationship between sustainability, business and health, using a psychological lens to look at the framework of the psychology of sustainability and sustainable development. We encourage a focus on: how the 17 Sustainable Development Goals in connection with entrepreneurship will shape the health and productivity of individuals and organizations.

Deadline for manuscript  
submissions:

**31 December 2021**

an Open Access Journal by MDPI
