Message from the Guest Editors

This Special Issue seeks to take a broad and inclusive view of gender and rural development and welcomes qualitative and quantitative studies from across the Global South and North. It especially seeks articles that focus on how economically, socially, and environmentally sustainable livelihoods can be constructed in contexts of change.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
