### Message from the Guest Editors

We are honoured to serve as Guest Editors of this Special Issue to be published in *Sustainability*, which will contain papers related to the field of experimental science education that describe "hands-on" experiences and research as a path to sustainable education. Research with IBSE, Maker, Do it Yourself, Do It With Others, Design Thinking, Low-Cost Science or Experimental Citizen Science approaches that contributes to the improvement of science education, both from formal and non-formal education, will also be appreciated. We warmly invite researchers to submit their contributions, both original research articles and review papers, to this Special Issue.

Deadline for manuscript  
submissions:

**closed (31 May 2023)**

an Open Access Journal by MDPI

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
