### Message from the Guest Editors

We seek papers for this Special Issue regarding effective international fisheries policy that address the complex issues of food and income security, fisheries management, fisheries economics, marine environment, and the ecologically sustainable development of international fisheries. Papers can be reviews, syntheses, viewpoints, meta-analyses, and original research relevant to the environmental, ecological, biological, policy, human, development, economic, or technological aspects of sustainability on international fisheries policy.

Deadline for manuscript  
submissions:

**closed (31 July 2021)**

Applied Science, University of  
Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:**— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and many [other databases](#).

**Journal Rank:** [JCR](#) - Q2 (*Environmental Sciences*) / [CiteScore](#) - Q1 (*Geography, Planning and Development*)
