### Message from the Guest Editors

We would like to invite you to contribute to the Special Issue of *Sustainability* entitled: “Landscape, Water, Ground, and Society Sustainability under Global Change Scenarios”. In this Special Issue, we accept manuscripts focusing on sustainability; study cases and opinion papers about initiatives, definitions, policies, programs and ideas; traditional knowledge and new applications; criticism and new proposals; natural resource uses, conflicts and growth problems; and issues related to global change (changes in, for example, climate, uses, needs, soil occupation, society, public opinion, species composition, and ecosystems). Contributions should focus on landscape, water, ground, and societal characteristics under global change scenarios.

Deadline for manuscript  
submissions:

**31 December 2021**

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
