Message from the Guest Editors

We would like to invite you to contribute to the Special Issue of *Sustainability* entitled: “Landscape, Water, Ground, and Society Sustainability under Global Change Scenarios”. In this Special Issue, we accept manuscripts focusing on sustainability; study cases and opinion papers about initiatives, definitions, policies, programs and ideas; traditional knowledge and new applications; criticism and new proposals; natural resource uses, conflicts and growth problems; and issues related to global change (changes in, for example, climate, uses, needs, soil occupation, society, public opinion, species composition, and ecosystems). Contributions should focus on landscape, water, ground, and societal characteristics under global change scenarios.

Deadline for manuscript submissions:
