

## Landscapes in the Time of Social Distancing: Pandemic and the Design of the Urban Environment

Guest Editors:

**Prof. Dr. Thomas  
Panagopoulos**

**Dr. Bruno Marques**

**Assist. Prof. Krzysztof Herman**

**Dr. Agnieszka Olszewska-  
Guizzo**

Deadline for manuscript  
submissions:

**closed (20 April 2022)**

### Message from the Guest Editors

For this Special Issue, we invite authors to submit research articles or commentaries that focus on one or more of the following topics: social distancing in the public space; streetscape in times of pandemic; recreational use of Informal Green Spaces (IGS) or green wastelands in the time of pandemic; urban parks in the time of social distancing; salutogenesis and biophilic design; nature connection indoors and window view studies; the impact of the COVID-19 pandemic on communities and neighborhoods; green space and “recreation” through online immersive technologies; public space and the social “bubble”; the benefits of green spaces on public health and mental well-being during the pandemic; the roles of allotment gardens, community gardens, and urban farms in food production during the pandemic; from private to public—the roles of balconies, roof gardens, etc.; tactical urbanism and temporary responses for the pandemic in the city; and future, post-pandemic landscape architecture and urban design challenges.

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
