Message from the Guest Editors

We invite proposals for papers to be presented at the conference 'Corporate Sustainability Reforms: Securing Market Actors' Contribution to Global Sustainability' in Oslo on 24 October 2019, where we will discuss how to facilitate the transition to sustainability, with the aim of identifying concrete proposals. Subject to peer-review, accepted papers will be included in a Special Issue of the open-access journal *Sustainability*.

- Papers are selected for presentation at the conference in Oslo based on the submission in response to the call for papers. Subject to peer-review, these papers will be included in the special issue.

More details about the conference can be accessed at:

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
