

Sustainable Integrated Planning of Positive Energy Districts

Guest Editors:

Message from the Guest Editors

Dr. Carmel Margaret Lindkvist

Collaborative governance for open innovation:

Prof. Dr. Annemie Wyckmans

Dr. Savis Gohari

Dr. Daniela Baer

Deadline for manuscript
submissions:

closed (15 August 2021)

- Identification of public-private partnerships which enable value creation in complex urban environments
- Actor understanding and meaning of coordination and cooperation in “collaborative governance” structures towards Positive Energy Districts
- Influencing factors that lead to collaborative governance

Temporal impact of knowledge continuation from early planning processes to implementation

- Impact of diverse actors/practices understanding of ideas for PEDs from planning to implementation
- Key stakeholders who ensure knowledge continuation from one phase to the next and the impact of forgotten knowledge
- Types of participation processes and methodologies enabling future users of districts to participate in integrated (energy) planning for PEDs

Participatory processes for engaging diverse stakeholder interests

- Scope for facilitation of a permanent participation processes in urban development on district level
- Motivation and incentives of participation processes – for organizations, society, and individual stakeholders

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPus](#) / [SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
