Deadline for manuscript
submissions:

closed (20 December 2019)

Message from the Guest Editors

The general aims of the special session are:

1. Deepening the understanding of the role of cultural heritage valorization and public real-estate assets in local development processes;
2. Increasing the dissemination of appraisal methods and systematic evaluation tools in the Heritage valuation and management fields;
3. Providing decision-making support in the planning phase of heritage interventions;
4. Improving the understanding of the dynamics, benefits, social and economic values of Heritage as a factor attracting innovation towards territory;
5. Providing policy makers with possible solutions for heritage management as driver for local and sustainable management.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.
