### Message from the Guest Editors

The general aims of the special session are:

1. Deepening the understanding of the role of cultural heritage valorization and public real-estate assets in local development processes;
2. Increasing the dissemination of appraisal methods and systematic evaluation tools in the Heritage valuation and management fields;
3. Providing decision-making support in the planning phase of heritage interventions;
4. Improving the understanding of the dynamics, benefits, social and economic values of Heritage as a factor attracting innovation towards territory;
5. Providing policy makers with possible solutions for heritage management as driver for local and sustainable management.
