Deadline for manuscript  
submissions:

**31 December 2020**

### Message from the Guest Editors

This Special Issue "Traffic Safety within a Sustainable Transportation System" aims to present state-of-the-art research related to recent advancements in sustainable transportation safety. Topics of interest included but are not limited:

- Sustainable transport policy effects on traffic safety
- Smart cities with safety and sustainable considerations
- Environmental effects on sustainable transport and safety
- Safety data analytics on sustainable transportation
- Connected and automated vehicles infrastructure systems
- Impacts of e-commerce and freight systems on traffic safety

an Open Access Journal by MDPI

## Editor-in-Chief

### Prof. Dr. Marc A. Rosen

Faculty of Engineering and  
Applied Science, University of  
Ontario Institute of Technology,  
Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:**—free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High visibility:** indexed by the [Science Citation Index Expanded](#) and [Social Sciences Citation Index](#) (Web of Science), as well as [Scopus](#) and [other databases](#).

**Rapid Publication:** manuscripts are peer-reviewed and a first decision provided to authors approximately 14.5 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the first half of 2020).
