Message from the Guest Editors

The Special Issue will be focused on original contributions to rural geography and tourism theory. I encourage authors to submit original research articles on topics including, but not limited to, the following:

- Contemporary trends in rural geography;
- Rural tourism as a part of global tendencies in the travel industry;
- Methodological aspects of the overall rural development and welfare of the countryside;
- Rural geographical research fostering resilience in the face of rural communities' problems and events;
- Role of rural tourism in the sustainability principles: worldwide examples and comparisons;
- The processes of assessing rural strategies' contributions to sustainability;
- Stakeholder involvement in rural economy and community-based development;
- The evolution of rural tourism, its history, assessments, and contemporary organization;
- Conceptual connections of inclusion, resilience, and other ideas to local economy;
- Case studies of rural tourism management, covering successes and failures as appropriate;
- The evolution and future of rural planning and progress.
